### UNIQUE SOLUTION FOR MOST ALL COAXIAL ADAPTER NEEDS WITH OUR 30 PIECE KIT:

Model CT2701A Universal Coaxial Adapter Kit provides a convenient solution for most interconnection needs. The adapter kit, with its 6 universal adapter, allows assembly of hundreds of different coaxial adapters: male to male, female to female, male to female, in-series and between-series for BNC, TNC, N-Type, F, RCA, SMA, UHF and Mini-UHF. All pieces are of machined brass with tarnish resistant nickel finish, PTFE dielectric, and gold plated

center contacts.

The kit is provided in a convenient foam-lined case for easy component selection and storage.

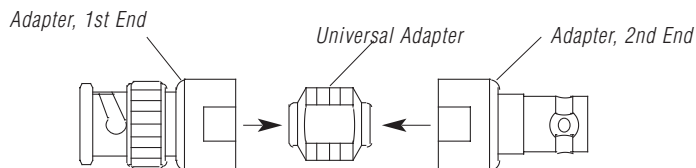

Whether bench or field service, the kit provides an easy solution for coaxial connection requirements.
