Available: 7-25-2016

Product Description:

NEW HAKKO C5027 Board Holder

Part No:

C5027

Specification:

Part No.	C5027
Max Board Width	260 mm (10.2 in.)
Dimensions (W x H x D)	413 x 126 x 363 mm (16.3 x 5.0 x 14.3 in.)
Weight	2.5 kg (5.5 lb.)
ESD Safe	Yes

Comments:

The HAKKO C5027 can be used independently or attached to the C5028 or C5029 handpiece fixtures for precise component rework. The board holder features a one-touch slide adjustment for quick and easy setup as well as a knob for fine adjustments in the x-axis. The unit also features a quick load/unload assembly to simplify the insertion and removal of boards.

Optional Accessories:

B5098 – Edge Board Support

B5136 – Bottom Board Support
