PRODUCT BULLETIN

Bulletin No: PB409
Issue Date: 10-17-2017
Effective Date: 10-17-2017

Description/Title:
CHP DPF-200 Depaneling System

Part No:
DPF-200-E

Specification:

Old EBP

New EBP

Additional Content:

CHP SC-0807 wrist strap

Comments:

The EBP (Equipotential Bonding point) on the DPF-200-E starting from serial number 00000486 will be changed from banana plug type to 10mm snap type with a snap to banana plug adapter included. This change is to accommodate different connection style and will not affect the specification. DPF-200-E starting from above serial number will also include a CHP SC-0807 wrist strap.
